Friday 26th April - Curriculum Day - no school for students
Wednesday 8th May - 2025 Prep Information session - 5:00pm
Wednesday 8th May - Mother's Day Stall

Principal's Report

Dear Parents and Guardians,

Welcome back for Term Two! I hope you all had a restful break and spent time with loved ones.

We have had a great start back and are very proud of our students for settling back into school routine so quickly. Our staff are currenlty participating in planning days to plan the curriculum that will be taught this term. This is also a reporting term. Our staff will be preparing student reports which will be provided to you on Friday 14th June. We then have our Parent Teacher Interviews scheduled for Wednesday 19th June for you to meet with your child's classroom teacher to discuss their progress.

We are very busy getting ready for our Mother's Day stall and Open Morning. Students will be invited to purchase gifts, which have been selected by our JSC members, from our stall on Wednesday 8th May. Our Open Morning on Friday 10th May is an opportunity for our students mothers, grandparents and special people to come and be pampered.

Just a reminder that if you have a child starting in prep next year to pop into the office and collect an enrolment form. We have our 2025 Prep Information Session on Wednesday 8th May at 5pm. You can register your attendance via Eventbrite; https://www.eventbrite.com.au/e/888228053017? aff=oddtdtcreator or by calling the office.

In the next couple of weeks our students in Grade 4-6 will be invited to participate in the Attitudes to School Survey. This is a statewide Department of Education survey that allows students the opportunity to provide feedback on how they feel at school. This survey is anonymous and we encourage our students to be honest and provide us with the most accurate data, to then be able to make improvements to our school. More information on this survey will be distributed to our families of students in grades 4-6 closer to the starting date.

I am very pleased to announce that we have been successful in a school improvement grant that I submitted last term. We have been successful with a significant amount of money to complete a refurbishment of our student and staff toilets in the BER. This work is very much needed and will make a significant difference for our staff and students.

Have a great long weekend, With thanks હનામા મિલ્લામુર્વેલ્લ

SWPBS

Welcome back to Term 2.

Our focus value this term is 'Resilience.'

Resilience is the ability to 'bounce back' after challenges and tough times.

For children, challenges and tough times include experiences like moving house, or welcoming a sibling into the family. They can also include serious experiences like a family breakdown or family illness. Children build resilience over time through experience. You can help your child learn skills and develop resilience by having a warm, supportive relationship with them.

Children learn resilience through experience. Each time your child overcomes a problem, it builds their confidence in their ability to handle the next challenge.

GRADES 3/4

Students in Grades 3/4 enjoyed seeing some of Sharon's pop's ANZAC badges and uniform.

Students in grades 3/4 also enjoyed playing coding games on their laptops - dance monkey game.
